
Lesson Program Application

If you believe your student qualifies for the Every Note Counts program, please fill out the form attached. If you have any questions, please contact us at info@everynotecounts.org.

Application Process

Our streamlined application process makes it easy for prospective students to apply. Our program is open to children living below the poverty level in the state of Connecticut. While kids do not need any prior musical experience, we do require that they be engaged, enthusiastic students. They must be between the ages of 8 and 18. The application includes an essay from the student, instrument choice, and income verification from the child's caregiver(s). Once your application is submitted, your application typically takes one-two weeks to process.

Student Essay

Please include a brief essay (200-300 words maximum) about why you want to be a part of Every Note Counts Music Program. The program is open to kids between the ages of 8 and 18.
